

FLYOLA AVIATION ACADEMY

ELEVATE SKILL. OWN THE SKY.

Founded in 2023, FlyOla Aviation Academy is a young, ambitious, and fast-growing Flight Training Organization (FTO) with DGCA accreditation.

We stand apart with

Modern fleet

Structured Cadet Programmes (with academic & career pathways)

Asia's first Helicopter Training Organisation

Recognized leadership & industry-standard facilities

If you dream of becoming a **Commercial Pilot or Helicopter Pilot**, FlyOla gives you a **comprehensive, well-resourced, and future-ready platform.**

FOUNDATION & ACCREDITATION

- Established in 2023 under the Indraprasth & FlyOla Group
- A proud unit of Jet Serve Aviation Pvt. Ltd.
- DGCA-approved for both ground training & flying training
- India's first FTO (and Asia's first!) to offer Commercial Helicopter Pilot License (CHPL) training

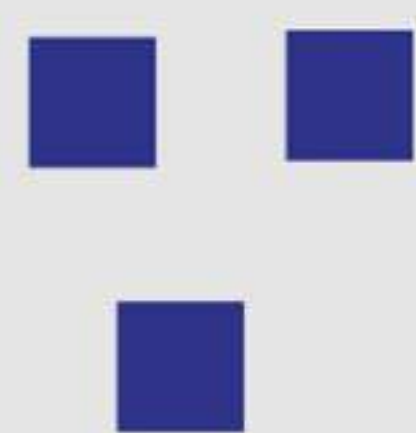

VISION & MISSION

Vision: “Elevate Skill. Own the Sky.”

Mission: To provide modern training, global-standard facilities, and expert mentorship that transform aspiring aviators into confident professionals.

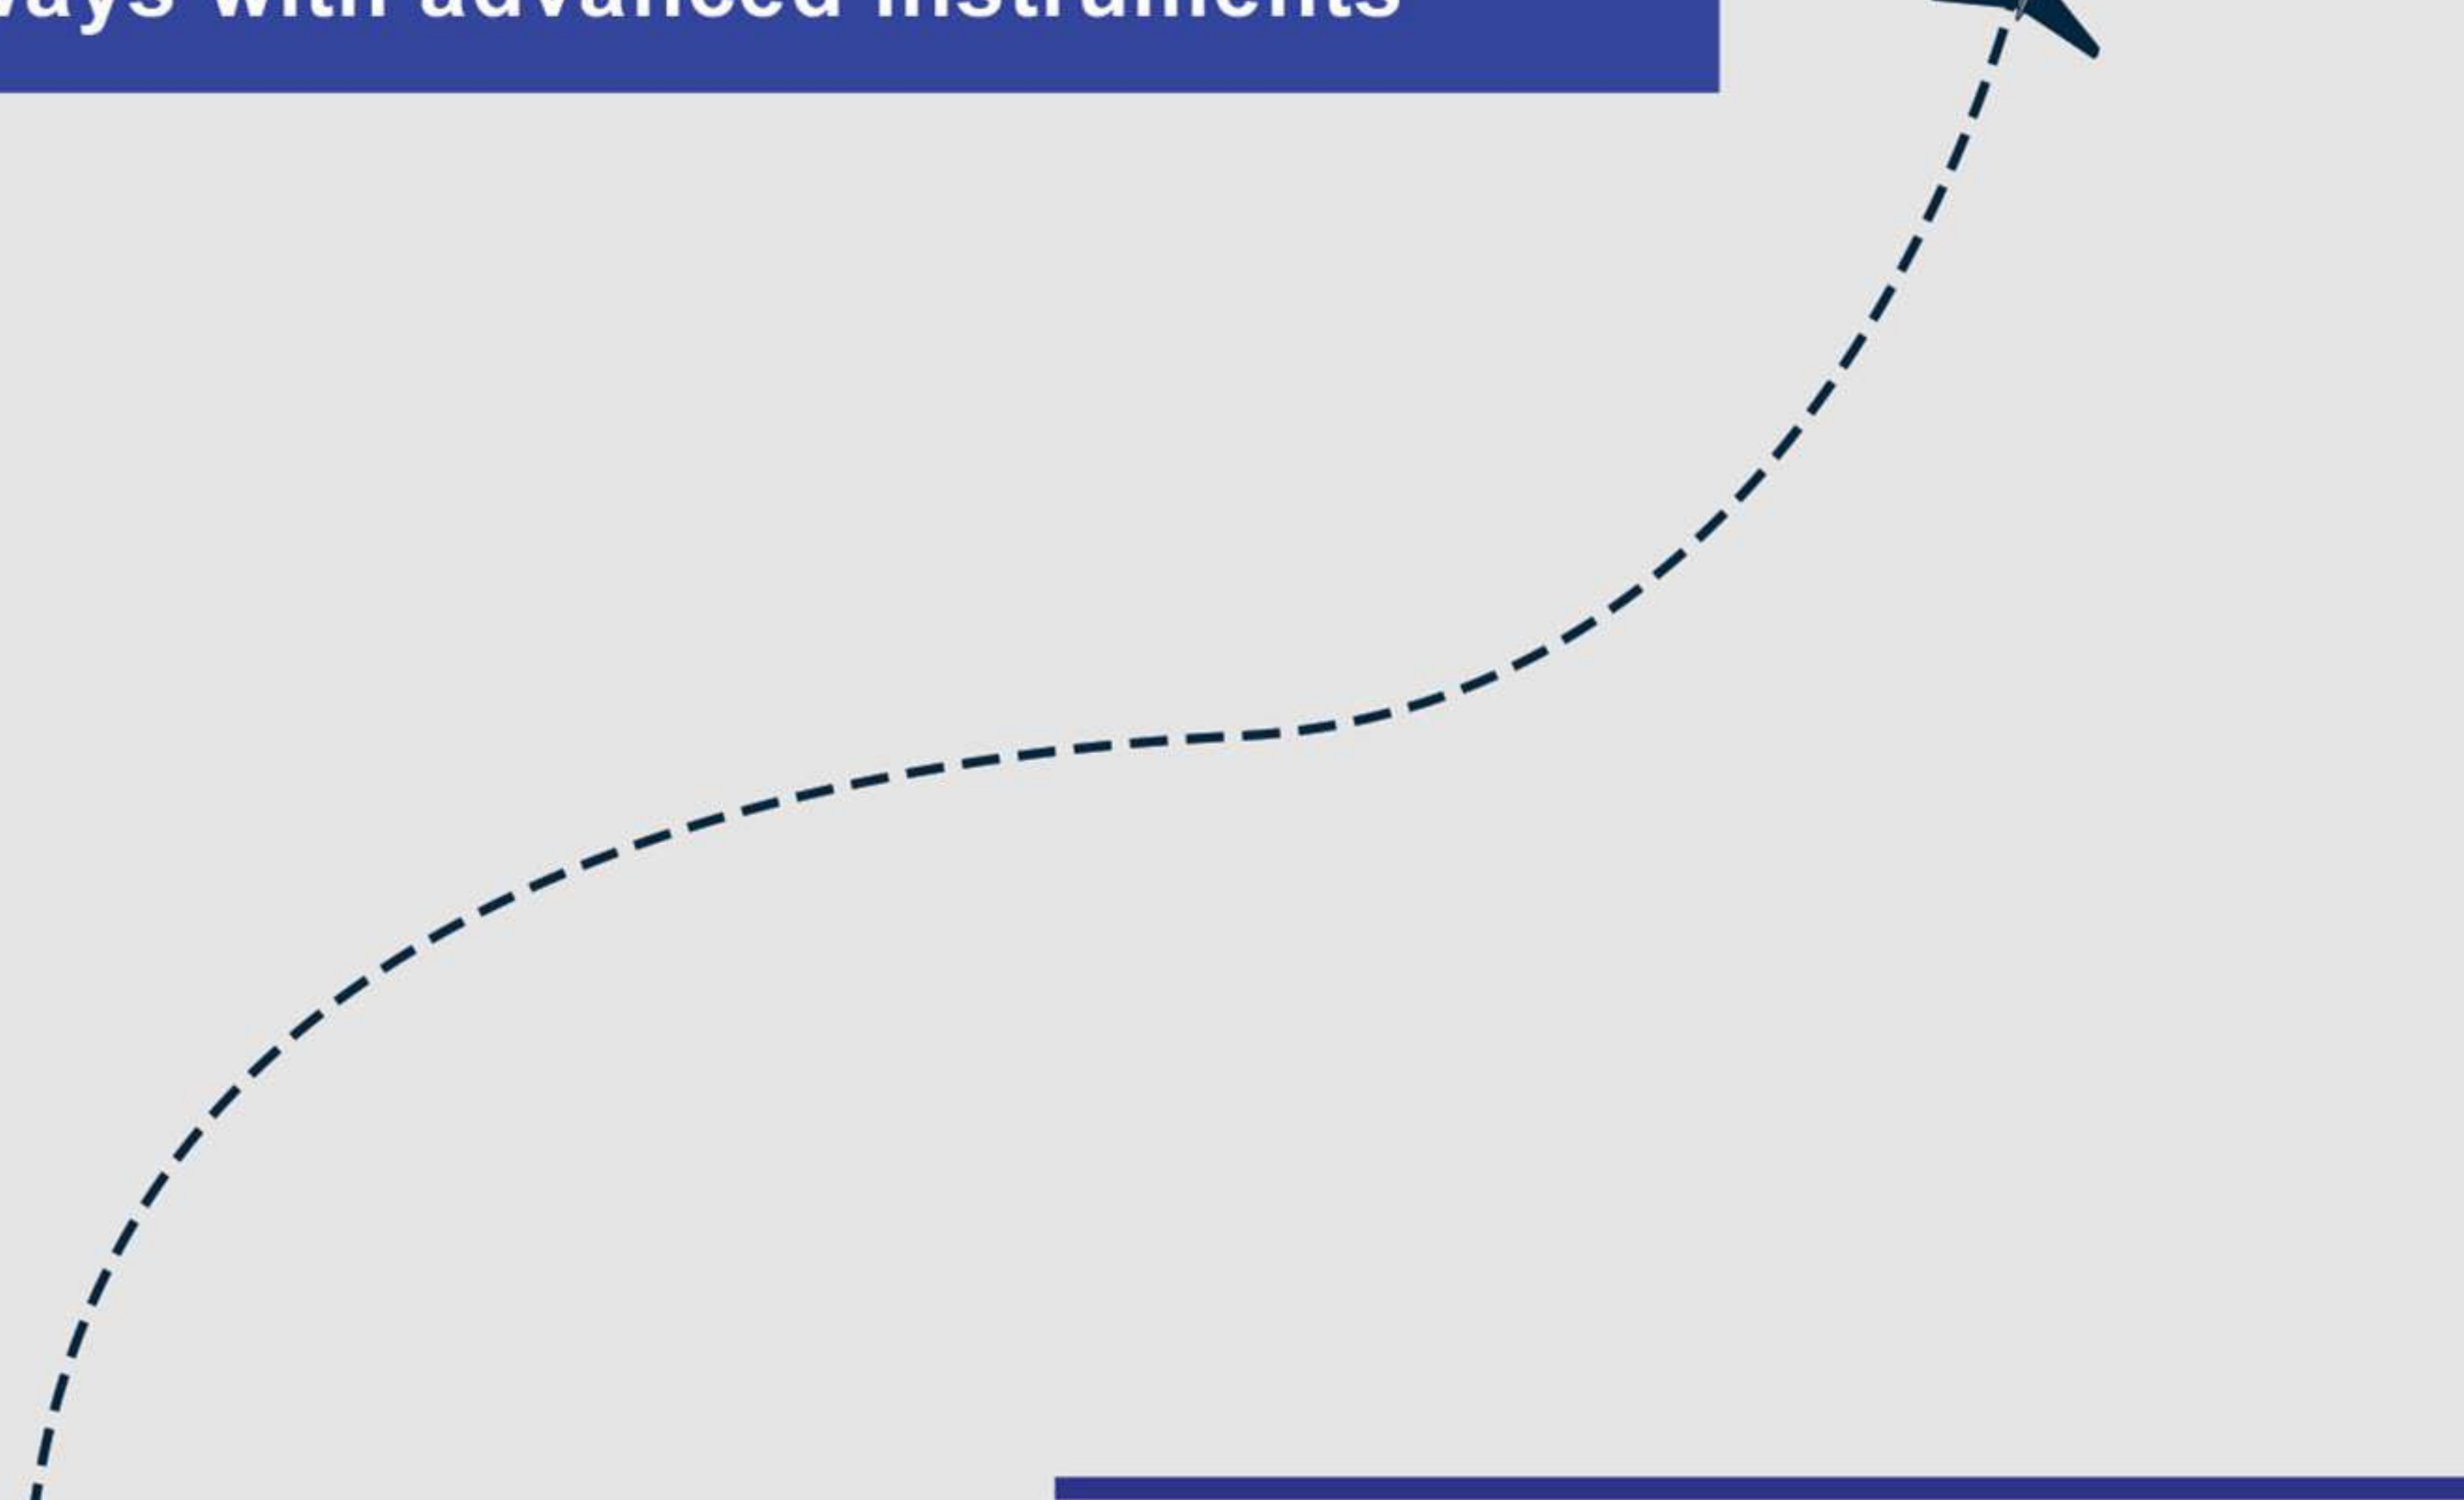

TRAINING LOCATIONS

FlyOla operates from two premier training bases:

- Khajuraho, Madhya Pradesh
- Jalgaon, Maharashtra

Both bases are ideal for flight training with

- ✓ Controlled airspace with ATC
- ✓ Runway support for VFR/IFR operations
- ✓ Night flying training capabilities
- ✓ Long, wide, and well-equipped runways with advanced instruments

OUR FLEET

We don't just train pilots — we **shape aviation professionals** with hands-on training on our **versatile and modern fleet**:

- ✓ Cessna-172 (Glass Cockpit with Garmin 1000)
- ✓ King Air C-90
- ✓ Super King Air B-200
- ✓ Robinson R-44 Helicopter

From **ab-initio training to advanced turbine & rotary-wing operations**, our fleet ensures **real-world, industry-relevant exposure**.

TRAINING COURSES OFFERED

At FlyOla, we design programs for every stage of a pilot's journey:

- 1 CPL (Commercial Pilot License)
- 2 CHPL (Commercial Helicopter Pilot License)
- 3 Cadet Pilot Programme (license + type rating + job as First Officer)
- 4 License Conversion
- 5 License Renewal
- 6 PPL (Private Pilot License)
- 7 PHPL (Private Helicopter Pilot License)

LEADERSHIP & FOUNDERS

FlyOla is powered by aviation veterans, trainers, and entrepreneurs who share one goal: to revolutionize aviation training in India.

Our leadership team combines years of industry experience with a vision to make pilot training accessible, global, and career-focused.

CAREERS WITH FLYOLA

We don't just prepare pilots — we prepare careers

- ✓ Career pathways for our cadets into airlines & aviation sectors
- ✓ Openings for flight instructors, engineers, and aviation staff
- ✓ Strong industry connections for job opportunities & placements

Simulator training & classrooms

WHY FLYOLA?

- ✓ Asia's first Helicopter FTO
- ✓ DGCA-approved & globally benchmarked training
- ✓ Experienced instructors & structured programs
- ✓ Cutting-edge fleet for both fixed-wing & rotary-wing
- ✓ Career-focused cadet pathways
- ✓ Safe, reliable & industry-relevant training
